Minutes

Morgan Murphy calls the meeting to order. Meeting formally opened at 7:05 p.m.

Morgan: First item of business is approval of the October 5, 2016 minutes.

Review and approve October 5, 2016 Minutes

- Walter Heyden motions approval of the October 5, 2016 minutes
- Nancy Mott seconds the motion
- October 5, 2016 CAP Meeting Minutes are approved

Morgan: Welcomed Scott McCammon to the CAP as representative of Milton Chamber of Commerce.

Operations Update: Walter Heyden, CRH Canada Group Inc.

- Site prep is underway for 2017 season - overburden is being removed
- Plan to run until December – 5.0 million tonnes
- Shipping hours currently 5:30 am to 4pm Monday to Friday
 - In April, will shift to 5:30 am to 5 pm Monday to Friday and Saturdays on demand
 - Third party security company will be hired to monitor trucks arriving outside shipping hours
 - Two safety days planned in conjunction with Halton Regional Police and MTO
- Community initiatives this year:
 - Section of accessible trail by Darling Home
 - Annual tree planting - 25th year
 - Ready mix drum – Halton Healthcare
 - Minor league sports teams in Milton
 - United Way – Mayor’s Golf Tournament
 - Two kids to camp every year
 - Roadside cleanup
 - Doors open event in September
 - School tours for grades 4, 9, University
- Update on power conservation program
 - Hired an outside consultant to help manage consumption and plan for peak power consumption
 - In 2016 period, actively started to manage power consumption based on forecast peak
 - Goal is to curtail usage during top 5 peak days in Ontario – peaks have been in summer last few years, but can be in winter during cold weather
 - Milton Quarry shut down 12 times in 2016, reduced usage on 3 of top 5 days

No Q&A on Presentation. Floor open to discussion.

Bryan Lewis asked for an update on the plan to fill the “gap” on site.

- Walter reviewed presentation deck from 2009 CAP meeting
 - Short-term actions from 2007 plan have been completed, including tree plantings and accelerated reforestation
 - Long-term plan requires quarry to be shut down. Appearance of gap will be minimized.
 - Walter suggested Kevin Mitchell be invited to provide an update at a future CAP meeting.

Bryan Lewis asked for update on technological improvements to blasting and loading methods

- Reorient blasting directions away from neighbours to minimize disturbance
- Quarry already utilizes industry best practices
- Management of blasting is same as last year
- Bryan suggested offering monitoring devices to residents with issues or challenges

Bryan Lewis raised issue of James Snow Parkway extension and realignment of Dublin Line

- Regional staff are projecting 401 interchange to be built for Summer 2021
- Nancy Mott mentioned engineering challenges associated with development

Nancy Mott asked for update on material recycling project

- Site plan amendments completed
- Bryan raised issues of additional truck traffic associated with trucks bringing in recycling materials

Action Item: printed copy of hours of operations (incl. hours of blasts), copy of site map including roads, and Colin's email update to be provided to CAP members.

No other business to discuss.

Proposed future meeting dates: June 7, 2017 and November 1, 2017

Agenda Items for Next Meeting:

- Update on long term plan to fill gap
- Dufferin Aggregates plans for recycled materials
- Tour of facility or plant / blast process
- Overview of new Niagara escarpment plan

Morgan Murphy requests a motion to adjourn the meeting

- Bryan motions to adjourn
- Walter seconds the motion

Meeting adjourned at 8:15 p.m.
