Minutes

- Meeting called to order at 7:00 pm by Mark Graves
- Participants introduced themselves and their relationship with the Milton Quarry.
- Minutes from June 23, 2009 meeting will be reviewed at next meeting

- Discussion with those who attended the tour of Milton Quarry June 23/09
Julia was impressed with the tour
Bob mentioned how he liked the truck wheel wash didn't leave a mess on the roads
Sandy was on a previous tour with the Chamber of Commerce and was impressed with the rehab work that had been done.
Andrea suggested we will continue to do tour for the committee
Talked about the various tours done at the quarry, and the different levels of school tours, from grade school to university.
- Talked about some of the issues we want to discuss as a committee.
- Committee would like to see a blast.
- Bob wanted to know where we will be in 2yrs, 4yrs, 5yrs what is our mine plan, rehab plan and will this information be shared.
- Talked about new members and our options to get some more.
- Marcus provided a presentation Blasting
- Open discussion and Q&A were facilitated throughout the presentation.
- Concerns raised regarding backup alarm noise.
- Questions regarding the GAP, Andrea explained the results of the GAP committee and will forward the plan to those interested.
- Next meeting date scheduled for October 27th at Holiday Inn.
- Discussion on future topics of interest to CAP members
- Meeting adjourned at 9:15pm.

Next Steps
